

BLEED

A diagram of a book cover layout. It features a central light blue rectangle divided into three vertical sections: 'BACK COVER' on the left, 'SPINE' in the middle, and 'FRONT COVER' on the right. The 'SPINE' section is a narrower vertical strip. This central area is surrounded by a thick gray border. The word 'BLEED' is centered at the top of the gray border. The entire diagram is set against a white background with faint red horizontal and vertical lines.
